Elles bougent

Role Model & Region Delegate

Only 24% of engineers are women.

Elles bougent

Since 2005, the association Elles Bougent **has been introducing girls to exciting careers in industrial, technological and scientific sectors** where there is a shortage of female talent.

How ?

- ✓ **BRINGING TOGETHER THE WORDS OF BUSINESS AND EDUCATION**
- ✓ **ENABLE IDENTIFICATION FOR WOMEN ROLE MODELS**
- ✓ **BREAKING DOWN GENDER INDUCED AND UNCONSCIOUS STEREOTYPES**

Our major events

- Innovatech Challenge
- Women's Networking and Career Forum
- The Equity Week
- Elles bougent for Tomorrow
- Elles bougent for Orientation
